

CONSTRUCTION NOTICE

Date: September 27, 2017

CITY OF LAGUNA BEACH - 505 Forest Avenue, Laguna Beach, California 92651

ATTENTION! **STREET WORK** **BETWEEN 930-1099 SKYLINE DRIVE**

October 4 – October 20, 2017

On the dates and location listed above, there will be localized roadway construction and closures during the hours of 9:00 AM to 5:00 PM, Monday through Friday. Except for minor traffic delays, you will have continuous access to your property except for dates posted on NO PARKING signs placed on the street in front of your property.

On days when the work is occurring downhill from where you live, please use Mystic Way to Blumont Street to Park Avenue as a detour. The street will remain open to traffic outside of the working hours listed above.

The work is preparatory for the upcoming slurry seal street resurfacing, and consists of installing a drainage pipe under the center of the roadway between 930 and 1099 Skyline Drive. To minimize the number of days access is blocked to a single property, the drain will be installed in short segments each day. The work will begin near Manzanita Drive and progress uphill towards Mystic Way. The City's contractor will make every effort to maximize access and to minimize dust, noise and traffic delays whenever possible.

You will be provided a separate notice at least seven days prior to the scheduled slurry seal date and if there are any changes to the schedule.

Thank you for your patience and cooperation. Please direct any questions or comments to the contractor, All American Asphalt, at (951) 757-8151. For general project information, please call the City of Laguna Beach Public Works Department street resurfacing phone line at (844) LAGUNA4 or (844) 524-8624 or visit the City's project website at: <http://www.lagunabeachcity.net/slurryseal>.
